

## GHULAM AHMED COLLEGE OF EDUCATION

(Established by Sultan UI Uloom Education Society)

Accredited by NAAC; Affiliated to Osmania University

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences.

The faculty provides a variety of learning experiences, including individual and collaborative learning. Digital resources are available and this makes learning more individualized, creative and dynamic. Academically, there is a well-established course design and meaningful instructional system with proper time schedule in vogue. A copy of the Prospectus, with syllabus and Academic calendar are supplied to the students in the beginning of the academic year. Opportunities are created for free interaction among the students through Nai Talim, Visits to different schools, demo classes by lecturers, Field Experience, Research , Role-play, Mock Parliament, Macro Teaching, Community Work, Adult Education (B.Ed Students), and Field Experience, Research, Simulation and observing in school(M.Ed) into teaching learning process are held. Students are taken on field trips to interact with the artisans and understand their skills.
