**COLLEGE STUDENTS AT NIRMALA HIGH SCHOOL, KHAIRTABAD,
TEACHING YOGA AND LESSONS IN DIFFERENT SUBJECTS**

The teachers of these schools are invited to the college for orientation and inservice training. They are also called to attend important seminars and workshops. In March 2022, students from different colleges were invited to attend a programme on "Gender sensitivity". One of our college student participated in stand up comedy show at Osmania University on

E-Invite sent to other colleges of Education to send students to attend the Gender Sensitization program.

Linkages for Research:

Students and faculty members visit various other Institutions for the purpose of research. Students of M.Ed course for their dissertation work, have to do a lot of reference work and they go to collect information to different schools and colleges of education. Members of the faculty also go and discuss about topics with their fellow colleagues from other colleges of education. They also go to other colleges to refer to books in the library while taking up research projects. The students of M.Ed. course visited the following colleges for reference work- University College of Education from 16th to 20th August; St.Mary's COE from 10th to 13th August,2022,St.Alphonsa's COE from 22nd to 24th August and Sidhanthi COE from 25th to 27th August, 2022.
