The Placement Cell of Ghulam Ahmed College of Education operates round the year to provide job opportunities to the final year students of the college. It serves as an interface between the students and the various institutions. Different schools from the twin cities of Hyderabad are approached and invited to the college in order to make a range of opportunities available to the students of B.Ed and M.Ed courses.

The Placement Cell had another fruitful year of placements and internships as several regular as well as new schools visited the campus for the recruitment drive. Principals/ experts from around 10-12 schools came to Ghulam Ahmed College of Education for placements. The names of the schools are: Oxford grammar High School, The Mighty Islamic High School, Focus High School, M.S Creative School, Firdous Public School, Iqra Mission High School, Zikra High School, Peace Angels High School, Sultan -Ul- Uloom Public School, Solar High School, New Model High School, Vidya Niketan High School, Roots Knowledge High School, Rising Star national High School, and others. In fact, we saw a huge surge in the opportunities for students. As of now 50 students have been selected by various institutions.

The Cell also organised talks, workshops and competitions to equip students with life skills and to provide career guidance about the avenues open after graduation and post-graduation. We had a Session on 'Career Opportunities and Soft Skills". The Placement cell identified the needs of the students, oriented them on how to prepare their resume and organized capacity building activities for the students.

To conclude, all the activities of the Cell are carried out tirelessly by the placement cell team under the guidance and supervision of Placement Cell Coordinator with Dr. N. Saroja, Prof., GACE and Ms.Rafiya Sultana, Assoc. Prof., Ghulam Ahmed College of Education.
